About Brahmdevdada Mane Institute Of Technology

Brahmdevdada Mane Institute of Technology started in the year 2006 with the vision and motivation of my father Late Shri Brahmdevdada Mane who devoted himself to impart the quality education in rural area for the upliftment of society. He had much affection towards the youth in villages and strongly believed in their strength.

BMIT is an institute which moulds and shapes the hidden talent of each and every student. We cater the specific needs of students which is expected from the industrial world. We believe in quality education first and then expansion. We also realised that technical knowledge and management skills are interdependent; hence, we took our initiative in Management Studies, and started the post graduation course in management i.e. MBA in the academic year 2010-2011. In this way, I am sure that it will be a techno-managerial aspect and atmosphere in the campus will benefit the students of our institute.
