

**Memorandum of
Understanding
Between
Veterans India
and
Smt. Durgabai Deshmukh
Government
Women's Technical Training
Institute**

Date : 21/03/2023

This MEMORANDUM OF UNDERSTANDING ("MOU") is entered on ____ Day of the Year 2023 between: Veterans India organization registered under Indian Trust Act, 1882 having its registered office at D-253, Madhu Vihar Near, Sector-3, Dwarka, New Delhi-110059. And Corporate Office Plot-C -713 B, First Floor, Sector-7 (Market), Dwarka, New Delhi 110077. India, of the FIRST PARTY;

AND

SMT. DURGABAI DESHMUKH GOVERNMENT WOMEN'S TECHNICAL TRAINING INSTITUTE, H.NO: 8-3-222, MADHURA NAGAR, VENGAL RAO NAGAR, HYDERABAD, TELANGANA-500038 of the SECOND PARTY;

WHEREAS Veterans India is a Nationalapolitical patriotic non-profitable organization of Veterans from all fields led by an Ex-Servicemen (which includes Gallantry Awardees, Martyr's families, Disabled Soldiers, Ex-Servicemen and their families) to inculcate patriotism, nationalism and integrity among citizens of the Nation especially youth and students.

WHEREAS Smt. Durgabai Deshmukh Government Women's Technical Training Institute a Women Technical Training Institute is a specialized educational institution that offers technical and vocational training to women in various fields of engineering. The Institute is dedicated to empowering women with skills and knowledge that will enable them to take up challenging roles in the rapidly evolving world of technology.

The Women Technical Training Institute offers diploma courses in several engineering disciplines, including Electrical and Electronics Engineering (EEE), Electronics and Communication Engineering (ECE), Computer Science Engineering (CSE), and Civil Engineering. Let's take a look at each of these programs in more detail.

1. Diploma in Electrical and Electronics Engineering (EEE): The Diploma in EEE program is designed to provide students with the foundational knowledge and practical skills required to design, develop, and maintain electrical and electronic systems. The course covers topics such as electrical circuits and systems, electronics, power generation, transmission and distribution, and control systems. The program also includes practical training sessions where students learn to work with electrical and electronic components, design circuits, and troubleshoot problems.
2. Diploma in Electronics and Communication Engineering (ECE): The Diploma in ECE program aims to equip students with the skills and knowledge necessary to design, develop, and operate electronic communication systems. The

course covers topics such as digital and analog communication, microprocessors, control systems, and signal processing. Students also have access to state-of-the-art laboratories where they can learn to design and test electronic systems.

3. **Diploma in Computer Science Engineering (CSE):** The Diploma in CSE program focuses on the design, development, and maintenance of computer systems and software. The course covers topics such as programming languages, algorithms, data structures, computer networks, and database management systems. The program also includes practical sessions where students learn to write code, develop software applications, and troubleshoot problems.
4. **Diploma in Civil Engineering:** The Diploma in Civil Engineering program is designed to provide students with the skills and knowledge necessary to design, construct, and maintain buildings, bridges, roads, and other infrastructure. The course covers topics such as structural engineering, building materials, surveying, and project management. Students also have access to laboratories where they can learn to test building materials, design structures, and analyze data.
5. **The Women Technical Training Institute** provides a conducive learning environment that is designed to foster creativity, innovation, and critical thinking. The Institute has a team of experienced and qualified faculty members who are committed to providing quality education to their students. The Institute also offers state-of-the-art facilities, including fully equipped laboratories, libraries, and computer centers, to ensure that students have access to the latest technology and resources.
6. In conclusion, the Women Technical Training Institute's Diploma programs in EEE, ECE, CSE, and Civil Engineering offer an excellent opportunity for women to pursue technical education and gain the skills and knowledge necessary to excel in the rapidly evolving world of technology. The Institute's commitment to providing quality education, experienced faculty, and state-of-the-art facilities make it an ideal place for women to pursue their academic and professional goals.

AND WHEREAS the parties, through professional interactions and collaboration seek to bring patriotism, nationalism, and integrity instillments of higher education Institutions (HEIs) of India by merging veterans experience and guidance through higher education activities, both enter into this agreement to establish a strategic partnership in the areas given in more details in the succeeding paragraphs.

Preamble and Objectives

The objective of this MOU defines standards for the overall development of UG and PG students by bringing a Military touch that enables the youth to grow in all three dimensions (Mansa, Vacha and Karmana).

Strategic Collaboration (Objectives, Scope & Outcome)

The Veterans India and (Name of College) under this MOU, shall collaborate towards:

1. Bringing nationalism and patriotism in higher education Institutions (HEIs)/Universities through activities based on veterans India themes and sharing experiences of Ex-Servicemen.
2. Personality development and Strategy building practices within higher education Institutions / Universities by involving local Veterans within higher education Institutions/ University vicinity.
3. Targeted preparation for SSB/CDS and other military examinations and interviews.
4. Modernizing NCC culture in higher education Institutions/ University vicinity by quick adoption model.
5. Connecting youth with veterans to make 2nd innings of veterans a better place full of knowledge and joy.
6. Adoption of Must Train method [Strategy and Tactics] for self-defense and national security.
7. Working together for the welfare of Gallantry Awardees, Martyr's families, Disabled Soldiers, Ex-Servicemen and their families.
8. Weekly/Monthly Activities to bring veterans from India and retired Military personnel into Induction level programs in higher education Institutions/Universities.
9. Monetary Compensation to Veterans for sessions they attend as speakers or expert to share their experience post-retirement.
10. All Sports/ physical fitness activities are to be conducted in collaboration with the Veterans India Youth Wing to meet the objective of the FIT India movement launched by the Honourable Prime Minister.
11. The college / Institute/ University shall provide premises in their campus free of cost and available manpower to Veterans India for patriotic activities as and when required besides above mention activities.

- 
- 
12. Facilitation of appropriate internship opportunities to the students in all applicable aspects of the organization including management and technology sectors in their wings.

Definitive Agreement

Any cost associated with the execution of the objectives of this MOU, if any, shall be mutually discussed and agreed to between the parties in a definitive agreement, before carrying out the activity.

Tenure and Termination

This MOU is valid for five (5) years initially and will be deemed renewed for three years unless terminated otherwise.

This MOU shall commence as set forth above and remain in effect through the end of the term unless:

- a. Otherwise superseded by another agreement between the parties.
- b. The parties mutually agree to terminate this MOU.
- c. Either party gives the other 90 days' written notice of their intent to terminate this MOU.
- d. A breaching party has failed to cure a material breach of this MOU within 30 days following written notice of that breach given by the non-breaching party.

Each party is an independent contractor and no provision of this MOU grants either party any express or implied right or authority to assume or create any obligations or responsibility on behalf of or in the name of the other party or bind the other party in any manner or thing whatsoever.

Neither party shall assign or transfer the privileges and obligations under this MOU without the prior written consent of the other party.

The law of the Republic of India shall govern this MOU. Any dispute between the

parties arising in connection with the performance of this MOU shall be resolved amicably between the parties through a process of negotiation before the use of any judicial remedy before the appropriate forum. Both parties irrevocably submit to the exclusive jurisdiction of the Courts at New Delhi, for any action or proceeding.

Any changes to the MOU are to be mutually agreed to by Veterans India and the (Name of College/Institute/University) and executed in writing.

This MOU may be executed in one or more counterparts, each of which will be deemed to be an original of this MOU and all of which, when taken together, will be deemed to constitute the same agreement. A signed copy of this MOU delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of the original signed agreement.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on this 25th day of December 2021 at New Delhi.
